

ROTARY CLUB of PLYMOUTH NOON

26th ANNUAL PLYMOUTH ROTARY AUCTION

ONLINE March 1st – 14th

LIVE on PACTV March 14th from 2pm – 8pm

Dear friend of Rotary,

Rotary is where neighbors, friends, and problem-solvers share ideas, join leaders, and take action to create lasting change in local communities and across the world. As your local Rotary organization, we achieve change and community growth together with your partnership.

For the last 25-years, community support of our annual auction has allowed our organization to raise upwards of \$50,000 annually. Your donations of professional services, items, and gift certificates have made this annual auction a success! Funds raised are then reinvested into our community in the form of grants and scholarships. Some of the beneficiaries of these grants include:

- Greater Plymouth Food Warehouse
- Spire Center
- Pilgrim Hall Museum
- Manomet Youth Center
- Kingston Library
- Jones River Restoration Project
- Relay for Life
- Plymouth Education Foundation
- Clean Waters Initiative
- The Plymouth YMCA-Camp Clark
- Scholarships for area college students
- International Student Exchange Programs
- BID Plymouth Hospital
- Shelter Box USA

The first 25 Rotary auctions were in the form of live on-air auctions held every March. This year, to ensure the health and safety of everyone who participates in the auction, we have decided to change the format to an online auction. Our plan is to open online bidding on March 1st with the fundraiser culminating with an abbreviated live auction broadcast on PACTV on March 14th. This is a big change for us, but we know from other Rotary clubs how successful this effort can be.

Our annual auction is an opportunity to help support your local community during a year that has been challenging for so many. Your contribution will be truly impactful - we hope you will consider donating an item, gift certificate, or service valued at \$25.00 or more.

If you have donated to our previous auctions, we thank you and ask that you continue to support the Rotary Club of Plymouth. If you haven't donated in the past, please consider making a contribution and know that you'll be part of something that helps to make our community a better place to live and work.

For information how to donate items or questions regarding the auction, please contact us via email at plymouthrotaryauction@gmail.com. Otherwise, a Plymouth Rotary Club member will be contacting you soon.

With deepest appreciation,

James Milch

Vice President & 2021 Auction Chair

Rotary Club of Plymouth
